Dear Cadet Candidate

Congratulations on your selection to attend the United States Air Force Academy Preparatory School! Your selection reflects the Academy's confidence in your potential to become a successful cadet in the Cadet Wing. We hope you will maintain this goal and work hard to achieve it.

Everyone who enters the Academy requires a nomination. Enrollment at the Prep School gives you a nomination in the Regular/Reserve category, but you still compete with other airmen in Regular/Reserve Air Force units for an Academy Appointment. To increase your chances of receiving an appointment, you should attempt to obtain a nomination from each source for which you are eligible. Although an appointment is not guaranteed, we have every expectation that you will work hard, persevere, and be recommended to the Academy. Your past record indicates you can be successful.

Begin your nomination package for the Class of 2013 now. Bring an official high school transcript (to include your senior year) with you to the Preparatory School. Since we also encourage Prep School students to apply for nominations in all categories for which they are eligible, you should contact your U.S. Representative and both U.S. Senators right away for nomination instructions.

We wish you the best of luck in your pursuit of an appointment to the Air Force Academy.

Sincerely

  
ROLLAND R. STONEMAN
